The Fine Print!

1. All my images are presented with a watermark on them to help discourage illegal theft of intellectual property. The watermark will be removed from the printed version of the image.
2. By default, images are printed on enhanced matte paper for quality and aging properties. If you prefer glossy or other media, please add an instruction on the shopping cart page.
3. If you would like to order prints, click the BUY button while looking at the photo you like.
4. All quoted sizes are approximations and vary by photo. For example, an 8" x 10" image is actually 7.6" x 9.6" and is designed to fit a store-bought 8" x 10" mat. 12" x 18" images are designed for a mat with outside measurements of 18" x 24".
5. Print prices are quoted without shipping charges. My shopping cart is operated by "Follow The Light" (Zenfolio). You will be asked to confirm the order total including shipping and any taxes then pay via PayPal (Visa, MasterCard or American Express or your PayPal account) before the order is shipped. If you have a coupon number, you will be asked for it at checkout.
6. Shipping charges are quoted for Canadian and US destinations.
7. For International shipping, <mailto:stewart@stewartmcleish.com> for a quote.
8. You will receive a receipt from PayPal and a confirmation of order from Zenfolio, please keep these for your records.
9. Exchange rates for International orders will be calculated by PayPal at the time of receiving said payment. International customers are responsible for all customs duties, costs and taxes.
